

WCPT Congress 2017 – proceedings now available

The WCPT Congress 2017 proceedings are now available via the WCPT website. To access abstracts of all the presentations made in Cape Town, as well as download many of the posters and the PowerPoint presentations that accompanied symposia and platform sessions, go to: www.wcpt.org/wcpt2017/proceedings.

If you didn't get to all the presentations, you can now watch recordings of the focused symposia. This is a rare opportunity to learn from experts in their field on the profession's hottest topics. As part of WCPT's continued efforts to facilitate information exchange across the profession, it is pleased to be able to offer this opportunity free of charge. Access the recordings at: www.wcpt.org/wcpt2017/fs/sessions

Please note that if a recording of a session is not available, it is because the presenter/s have not given their permission.

WCPT Congress 2019
